My dear Mrs Manley:

We wrote you on Sept. 10th 1944 asking you to become a member of the Negro Major league Inc. we are waiting your decision?

In your letter of Sept. 2nd 1944 you stated you had invested, a great deal of money in the baseball business. Well my writing you is a tip I am giving you trying to help you protect your investment, I am in a position to know what I am talking about. Now if you do not except a membership in the Negro major league Inc. Now while you still can get a franschise you are goingto be very sorry I am sure.

I am inform that no promoter will be able to rent no major league or minor league baseball parks to promote Negro baseball games. The Negro major league baseball teams Inc. is the only Negro baseball corporation can rent the major league baseball parks. So Mrs Manley take a tip from a corporation that was organized to help you and the rest of the Negroes that own baseball teams.

Will you please write your decision that I may proceed intelligently with my organization.

Inclose you will find a clipping out of this weeks paper that may help you to think for your own good.

Very truly yours

The Negro major league Inc.,

President.
